Letter No.14291 F2/53-7 dated 30-3-54.

Sir,

Sub: Establishment - Temporary special staff for clearance of arrears in the Mangalore Division - continuance sanction - regarding.

Ref: G.O.Ms.No.838 P.W. dated 13.3.54.

The sanction accorded in the G.O. cited for the continuance of the 2 Upper Division Clerks in the office of the Divisional Engineer (Highways) South Kanara for clearance of arrears will expire on 31-3-54. The arrears in the Division have not been cleared so far. The Accounts of the South Kanara division is heavily in arrears. Some of the important documents such as materials at site accounts, annual certificate of balances have not yet been received in this office. A copy of the Divisional Engineer's report explaining the position of arrears in the division is enclosed. It is therefore considered that the further continuance of the staff upto 30-6-54 is absolutely necessary. I therefore request that sanction of Government may be accorded to the continuance of the 2 Upper division clerks till 30-6-54 or till the arrears are cleared whichever is earlier.

2/ As the existing sanction will expire on 31-3-54 I am permitting the Superintending Engineer (Highways) to continue the staff in anticipation of sanction of Government. I request that my action may kindly be approved. Proposals could not be sent to Government earlier due to their non receipt in time. Instructions are being issued to the Superintending Engineer to avoid such delays in future.

Copy of letter Roc.No.10550/53-XI-2 dated 10-3-54 of the Divisional Engineer Mangalore to the Superintending Engineer (H) Coimbatore.

Sub: Establishment - Highways Department - Temporary - Office of the Divl. Engineer (H) Mangalore - Additional Staff for arrears clearance - proposals for further continuance - submitted.

Ref: This office letter Roc.10550/53/XI-2 dated 7.2.54.

In continuation of my letter cited above, I have to state that while submitting proposals for the continuance of the special staff for arrear clearance upto 31-3-54, it was presumed that the arrears could be cleared the special staff within the period specified above. Though attempt was made to do so, the items shown in the statement "A" are still pending due the difficulty of collecting replies from subordinate officers and locatin certain particulars from the old records in office. Item shown in statem "B" were cleared during the period from 1 to 28.2.54.

During the recent inspection of this office, by the Accounts Officer, Highways, Chief Engineer's Office, Madras between 25.2.54 to 27.2.54 it we suggested by him that the remaining items of objection should be got clear by the existing staff and, therefore, the additional staff will be necessa for some more months for final disposal of all pending items awaiting fina clearance.

There are about 260 items of objections relating to District Board to be cleared.

It is therefore considered that the continuance of the two Upper Divi Clerks will be necessary for a further period of three months from 1-4-195 to attend to the final clearance of audit objections referred to. Number items pending on District Board side are shown in statement "C" herewith s mitted. A lower Divisional Clerk may kindly be sanctioned for a period of three months for this purpose.

I request that necessary sanction for the continuance of the two upper Division Clerks to attend to the above items of Government work and one Up Division Clerk for attending to clearance of District Board arrears, may please be got sanctioned and orders communicated to me early.

(Sd) M.S.Prouty,
Dvl. Engr. (H) Mangalore.
